

COMBINING FAMILY-FRIENDLY AND PROFESSIONAL SERVICES WITH TECHNOLOGY FOR A HEALTHY SMILE

High-Quality Care

When you come in for a visit, your treatment will be tailored to your needs. Dr. Patel and Dr. Daniel have built a reputation on providing work of the highest quality in a relaxed family-friendly environment

Cutting-Edge Technology

Young Dental Care utilizes advanced technology to give us unique capabilities. Our high-tech equipment gives us the ability to treat you quickly and easily, allowing you to get back to your day

Two-Dentist Practice

With two experienced doctors on staff, you and your family benefit from the expertise of Dr. Patel and associate. Our doctors consult with each other, giving you a quick second opinion when needed.

Young Dental Care

In-Office Membership Plan

Young Dental Care is pleased to offer an In-Office Membership Program to patients currently not covered by a dental benefit plan. We want to help you prioritize your oral health, and this program allows for a complete continuation of preventative care.

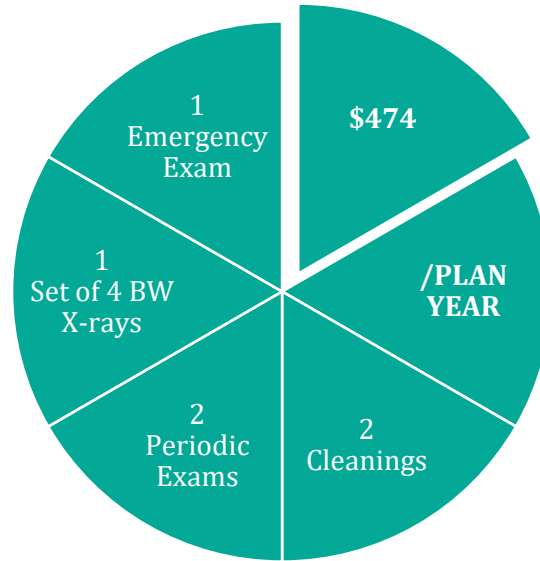

If you are a new patient and are interested in our Membership Plan, please come visit us for an individualized new patient consultation. You will meet our team, and a customized treatment plan will be created for you. We will work with you to find the best plan for your personal continuation of preventative care needs.

If you are an existing patient sign up anytime!

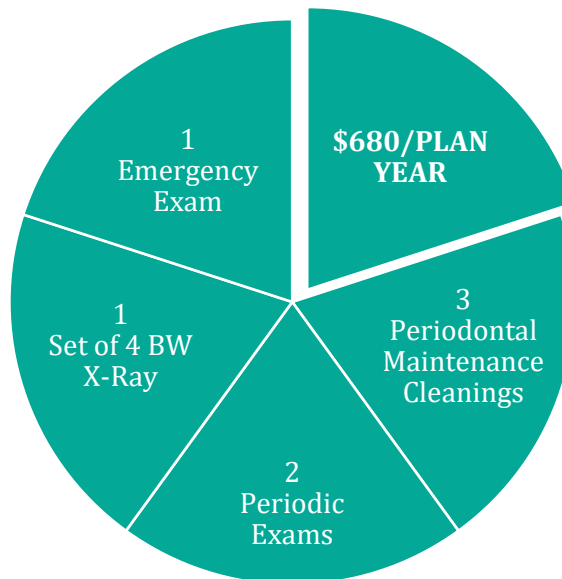

*(No refunds once plan is purchased)
